## Analysis kits

The price for the analysis kit includes:

- ✓ Original sample-bottle with embossing
- ✓ Addressed envelope
- ✓ Sample Information Form with barcode label
- ✓ Laboratory tests: All samples are analyzed and diagnosed until the end of the next business day if the samples arrive at our laboratory before noon in our prepaid OELCHECK sample bottle for kit 1-5 and with a proper filled out sample information form.
- ✓ Laboratory Report completed by a very detailed diagnose statement of a mechanical engineer
- ✓ Dispatch of the Laboratory Report via mail, email, fax or data-file
- ✓ Online-recall of all Laboratory Reports and Analysis Data from [www.lab-report.com](http://www.lab-report.com)
